# THE ARTIST IN ALL

## EMPOWERMENT THROUGH ART

MODERN WING : ART INSTITUTE OF CHICAGO

**An art exhibit and silent auction benefit for Misericordia, featuring original works created by talented Misericordia artists with the assistance of dedicated staff and volunteers.**

Through The Artist in All, Misericordia Siblings (SIBS) strive to showcase and share our brothers' and sisters' visual art in a world-class venue, reach out to the Chicago community, and give our siblings an opportunity to feel the same exhilaration all artists experience when their work is admired and sought by others.

And, with the help of good friends like you, we have raised more than \$4 million since 1997 to benefit Misericordia's programs. Last year, more than 1,700 people participated in producing or attending the event.

This year, The Artist in All will be held on two levels of the world-renowned Modern Wing of the Art Institute of Chicago. Please join us in celebrating this incredible event.

**MISERICORDIA SIBLINGS ASSOCIATION EXHIBITION MISSION STATEMENT**  
Whether for residents or day program participants, Misericordia offers many facets of visual art through its Art Therapy, Resource and Developmental Training programs. These programs provide therapeutic support services, recreation, art education and vocational opportunities. Children and adults of varying ages and abilities are empowered through art by sharing their achievements with families, friends and the community.

**MISERICORDIA/HEART OF MERCY'S MISSION** is to support children and adults with intellectual and developmental disabilities who choose our community by providing the highest quality residential, training, and employment services. We provide the full continuum of care designed to meet each person's changing needs and maximize his or her independence, self-determination, interpersonal relationships, and engagement in the community. Through our dedicated families, employees, volunteers, supporters and community networks, we offer an environment that fosters each person's spirituality, dignity, respect, and quality of life.

# Art programs empower. So can you.

AS STATE FUNDING CHANGES, so does the need for private support of programs such as these. You can help Misericordia defray state funding shortfalls through The Artist in All.

We respectfully ask that you join our family of sponsors. Your financial assistance helps Misericordia provide programs that make a world of difference to maximize participants' independence and self-determination. People with intellectual and developmental disabilities have tremendous potential. And when the environment is open to their gifts, they become the gift givers.

Please take a moment to review the sponsorship levels on the right—and let us hear from you soon. Print and detach the enclosed form to mail your donation or pledge.

Please help empower the artist in all.

For further details on making a donation, please contact Lois Gates at 773-273-4160, (loisg@misericordia.com).

Thank you for your consideration.
