THE ARTIST IN ALL™

EMPOWERMENT THROUGH ART™

“CHANGING COLORS” | A Virtual Event

TUESDAY, NOVEMBER 9, 2021, 7PM – 8PM

A virtual art exhibit and silent auction benefit for Misericordia, featuring artwork created by talented Misericordia artists assisted by our art staff instructors and dedicated volunteers.

Through The Artist in All, Misericordia Siblings (SIBS) strive to showcase and share our brothers’ and sisters’ visual art in our second virtual event. They also reach out to the Chicago community and give our siblings an opportunity to feel the same exhilaration all artists experience when their work is admired and sought by others.

With the help of good friends like you, we have raised nearly \$6 million since 1997 to benefit Misericordia’s programs.

Once again, due to COVID-19, The Artist in All will be held online and bidding will be done electronically through your smartphone or other computing device. Please join us in celebrating this incredible event.

MISERICORDIA SIBLINGS ASSOCIATION EXHIBITION MISSION STATEMENT:

For both residents and day program participants, Misericordia offers many facets of visual art through its Art Therapy, Resource programming and Community Day Services. These programs provide therapeutic support services, recreation, art education and vocational opportunities. Children and adults of varying ages and abilities are empowered through art by sharing their achievements with families, friends and the community.

MISERICORDIA HEART OF MERCY'S MISSION is to provide a continuum of care and support for children and adults of all faiths and cultures who have intellectual and developmental disabilities. We provide the highest quality of care designed to meet each person's changing needs and maximize his/her independence, self-determination, interpersonal relationships, and engagement in the community. The mission extends beyond the residents as we offer peace of mind to families. Through Catholic values and traditions, we strive to be a diverse and inclusive community of acceptance, respect, dignity, spirituality, and quality of life for us all.

Art programs empower. So can you.

STATE FUNDING changes, coupled with the COVID-19 pandemic, have dramatically changed Misericordia's need for private support of our Art Department programs. This year, more than ever, we need your help. In the past, Art Therapy, Resource programming and Community Day Services have facilitated the creation of many beautiful paintings, ceramics, glass and fabric pieces, jewelry, and photography.

These past two years, our art instructors have taken on additional roles to support Misericordia during this horrible pandemic by continuing to guide and mentor our artists. In spite of closed classrooms, they have instructed inside sheltered-in-place residence cohorts throughout our campus and surrounding neighborhood CILAs. We have slowly and safely begun to bring our artists back into classrooms on campus and are so hopeful that this is the last year we will need to celebrate this incredible event virtually.

We would not be able to continue these wonderful, life-affirming programs without your support. People with intellectual and developmental disabilities have tremendous potential and when the environment is open to their gifts, they become the gift givers. Our artists are so proud of their creations.

Please take a moment to review the sponsorship levels on the right. Perhaps you have never been interested in being a sponsor before or perhaps you are able to increase your gift from last year. Please know that we are grateful for a gift of any amount.
